

No. 12(9)-E (Coord)/84
Government of India
Ministry of Finance
Department of Expenditure
.....

New Delhi, the 1st January, 1985

OFFICE MEMORANDUM

Subject:- Outstanding audit objections - formation of
Adhoc Committees for settlement thereof.

The undersigned is directed to say that instructions have been issued from time to time emphasising on the importance of prompt settlement of audit objections by the Administrative authorities and for keeping a close watch over the clearance of objections outstanding for over six months. Attention in this connection is invited to Secretary (Expenditure), Shri T.P. Singh's D.O. letter No. 12(49)-E (Coord)/66 dated 27.2.1967 (copy enclosed) wherein Ministers were requested to take suitable remedial measures for reducing the backlog of audit objections. It was also mentioned that where a Ministry had a large number of chronic objections which had somehow defied attempts at settlement in the ordinary manner, Administrative Secretaries might consider the appointment of an 'Adhoc Committee' with a representative of Audit as an observer to go through the backlog and dispose of the objections by taking appropriate action on each one of them. It may please be confirmed urgently whether such an Adhoc Committee was set up in the Ministry of Home Affairs etc. In case no such Committee has been formed so far, immediate action may be taken for formation of the Committees under intimation to this Department. The need to constitute an 'Adhoc Committee', as mentioned above, would, of course, not arise if the Ministry/Department concerned did not have many outstanding audit objections.

(M.S. MATHUR)
Director

All Ministries/Departments of the Govt. of India

For information to:

Comptroller & Auditor General with reference to
letter No. 1602-141/45-82. II dated 12.12.1984.

Copy of D.O. letter No. F.12(49)-I(Coord)/66 dated 27.2.1967 from Shri T.P. Singh, Secretary, Deptt. of Expenditure to all Administrative Secretaries.

I am writing to you on the subject of prompt attention being given to draft audit paragraphs received from the Audit Departments and also the timely clearance of audit objections. Shri Dehejia had written to Secretaries on the 6th January, 1966 (vide D.O. No. 98-PSS/65) on the subject and our memorandum No. F.14(58)-I(Coord)/65-II dated 28.1.1966, also refers to this. The Audit Report (Civil) 1966 gives statistics of the pending objections and it is seen that a large number of such objections relating to the period earlier than April 1962 are still pending. The Public Accounts Committee at the last meeting when they examined the Finance Ministry were rather concerned about the state of affairs, and one cannot but agree with them that some special steps are necessary to improve the position.

2. Regarding audit objections, the best arrangement would be to take preventive action and see that objections of the same nature do not recur. Normally, it should be possible to send proper explanations or take remedial action within a period of six months from the date on which such objections are raised. In regard to the pending objections, it would be necessary to work on the basis of a time schedule and this question has been specifically emphasised by the P.A.C. With reference to the old objections relating to the period earlier than April 1962 which are still pending, it has been suggested that a serious effort should be made to dispose of them within a period of six months. I shall be grateful if you take necessary action to settle the objections on the above basis by issuing suitable instructions to your Heads of Departments etc., where necessary. The C & A.G. has issued instructions to the Accts. General, Director of Commercial Audit and Director of Audit, Defence Services, to furnish lists with necessary details of all objections outstanding for over six months in the half-yearly returns sent by them to the various Ministries/Deptts. of the Govt. of India in pursuance of the instructions contained in the Ministry of Finance O.M. No. 27(7)-EGI/53, dated 19.12.1953. He has also instructed them to furnish half-yearly, a list of paras outstanding in the inspection reports for over one year. These reports should help the Administrativ. Ministries/Deptts. in expeditious settlement of outstanding objections. You will no doubt obtain from the authorities concerned reports showing the progress made from time to time. Though this matter is primarily the concern of the administrative authorities, I would, in view of the interest taken by the P.A.C., advise that in reviewing the progress made and in initiating any further measures that may be necessary for speedier disposal, you may associate the F.A. of your Ministry. Where a Ministry has a large number of chronic objections which have somehow defied attempts at settlement in the ordinary manner, you may consider the appointment of an Adhoc Committee including a representative of Audit, as an observer, to go through the backlog and dispose of the objections by taking appropriate action on each one of them. Such a procedure has been followed on the Defence side with satisfactory results. I think a review of progress once in two months might also be usefully made in the circumstances.

3. Regarding the manner in which audit paragraphs sent to Ministries in draft should be dealt with, there are already clear instructions on the subject in the Standing Guard File prepared by the Ministry of Finance on "Speedy Settlement of Audit Objection Inspection Reports and timely disposal of draft Audit Paragraphs" (Vide Ministry of Finance letter No.32(9)-EGI/60, dated 3.6.1960, on pages 20-21 of the Guard File). Briefly, instructions exist that comments on draft Audit paragraphs have to be submitted to Audit within a period of six weeks. If in exceptional cases this is not possible, it is necessary for the Ministry to get in touch with the Audit Officer concerned and report the position with the available facts. In the absence of any communication, the draft Audit Paragraphs will be incorporated in the Audit Report on the basis of the available to Audit. I would suggest your kindly reviewing the existing arrangements for the receipt and disposal of Audit Paragraphs in your Ministry and taking all necessary steps for ensuring prompt action so that the present state considered to be extremely unsatisfactory by the P.A.C. does not persist.

4. It has been brought to our notice that in a number of cases the comments of the Ministries on the draft paragraphs communicated to the Accts General over the signature of junior officers - Sections Officers/Under Secretaries. As the draft paragraphs sent by the Accts General to the Secy concerned for his information and to enable him to look into the papers before the case comes for examination before the P.A.C. (vide paragraphs 1(c) of Shri M.V. Rangachari's letter No.26/SF/55, dated 6.1.55 to all the Secys. of the Govt. of India), and as it would be advantageous if the draft paragraphs examined at a sufficiently high level in the Ministries, I would suggest that comments on the draft paras should be communicated to the Accts. General, etc., over the signature of the Jt. Secy concerned and where this is not practicable, it should be mentioned in the forwarding letter that the comments have the approval of the Secy/Jt. Secy. Formal orders to this effect have been issued in our O.M.No.F.12(9)-E(Coord)/67 dated 8.2.1967.

It is desirable for the Admn. Secy. concerned to have a control Register opened, in which audit paragraphs in draft, as they are received may be diarised and their disposal watched. This will avoid a large number of paragraphs remaining uncommented upon and in time.

For our part, I have discussed the matter with the C.A.C. as desired by the P.A.C., and it is being arranged that Audit will send to the Associate F.A. a copy of each Audit Paragraph sent to the administrative Ministry in order that no man-ya be in the picture from the beginning and lend such assistance as may be required.

5. You have no doubt appointed, as required under the existing instructions, a senior officer in your Ministry to coordinate all matters relating to audit objections and audit paragraphs. He should as far as possible, use the facility of consultation with the Audit Officer concerned and reduce the number of audit paragraphs or objections at the very outset.

I would request you to keep me informed of the action taken in regard to your Ministry and officers under your control.
