OFFICE MEMORANDUM

Subject Clarification in Rule 160(xiv) of General Financial Rules, 2005 - regarding award of contract to a firm which has quoted "NIL" consideration and its Derivates thereto in the bid.

Further to our Letter No. 29(1)/2014-PPD Dtd 25/01/2014

Clarification regarding 'NIL' consideration for Contracts with Ministries/ Departments the implications applies to Zero percentage service charges and its derivates thereto which in the opinion of the end service user correlates to an unrealistic consideration by the service providing parties.

This maybe given wide circulation so that the Contract awarding process is more realistic and pragmatic.
